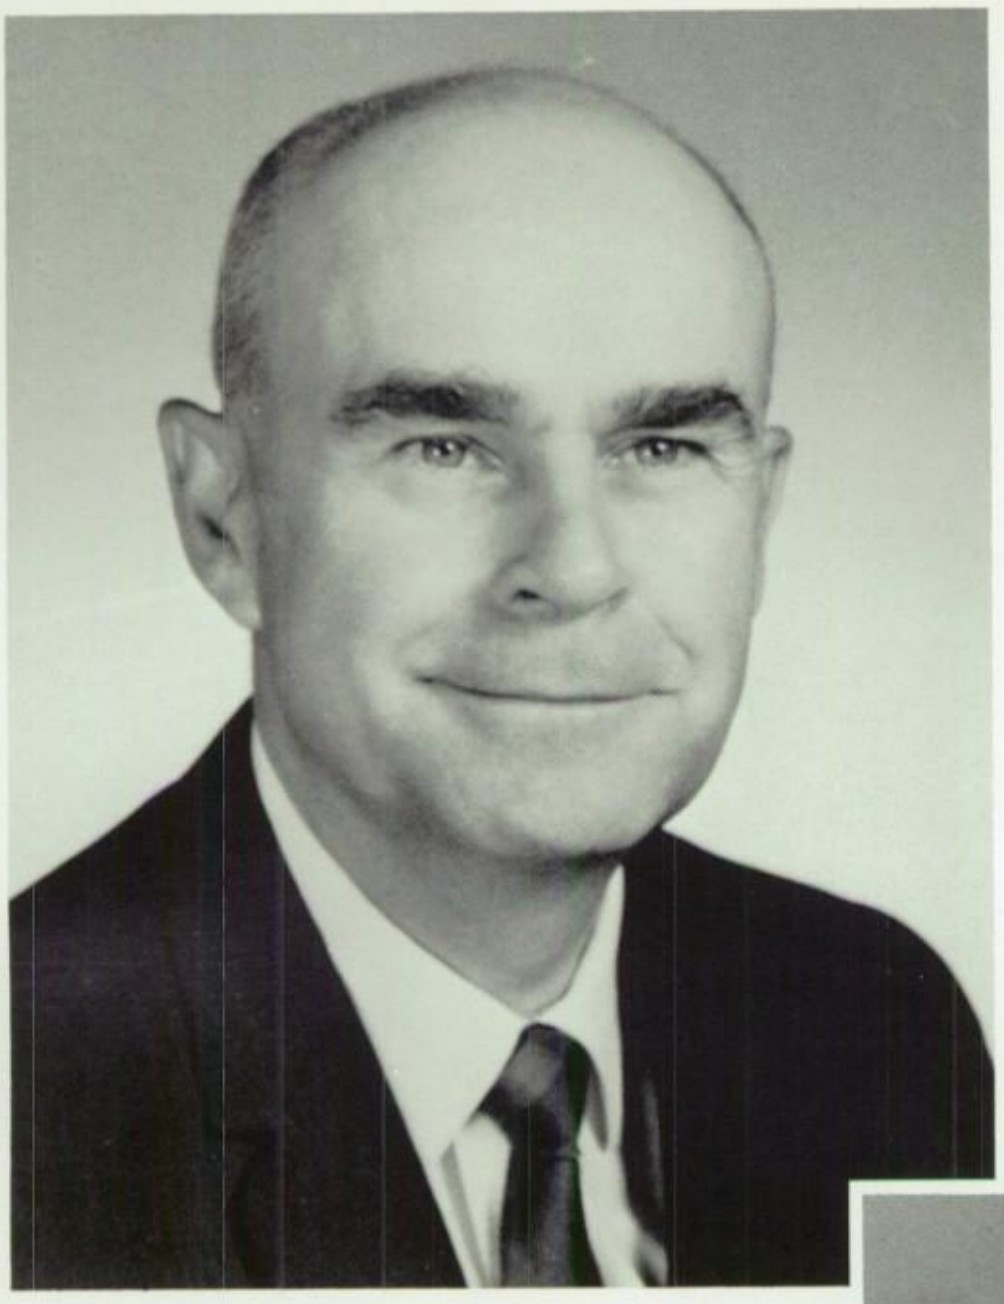
Foreword . . .

The **1969 O-AT-KAN** captures the moments which have made this past year at L.H.S. unique. The routine which is so familiar to each of us, as well as those moments of significant triumph and anxiety, are presented effectively through copy and pictures.

This **O-AT-KAN** is enlivened by the selective use of "four-color," as exemplified on the title page, some divisional pages, and to highlight other sections. Format, photography, art, and copy, function this year as a single unit, rather than four separate entities, giving this publication its character. Action, emotion and tradition have been caught and maintained in both the "Athletics" and "In Retrospect" sections. Thus, the **1969 O-AT-KAN** demonstrates a careful blending of innovations with traditions.

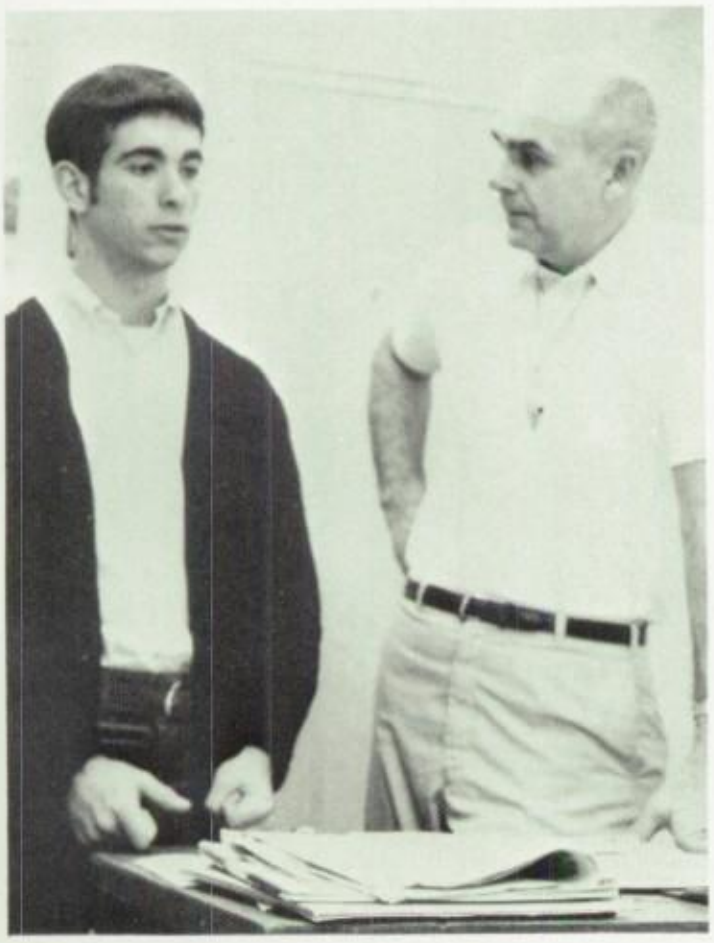
This yearbook, designed by the **O-AT-KAN** staff, and published by the Senior Class, is for you, the student of Le Roy. With it you will identify yourself and the year; through it your memories will remain alive.

Dedication '69

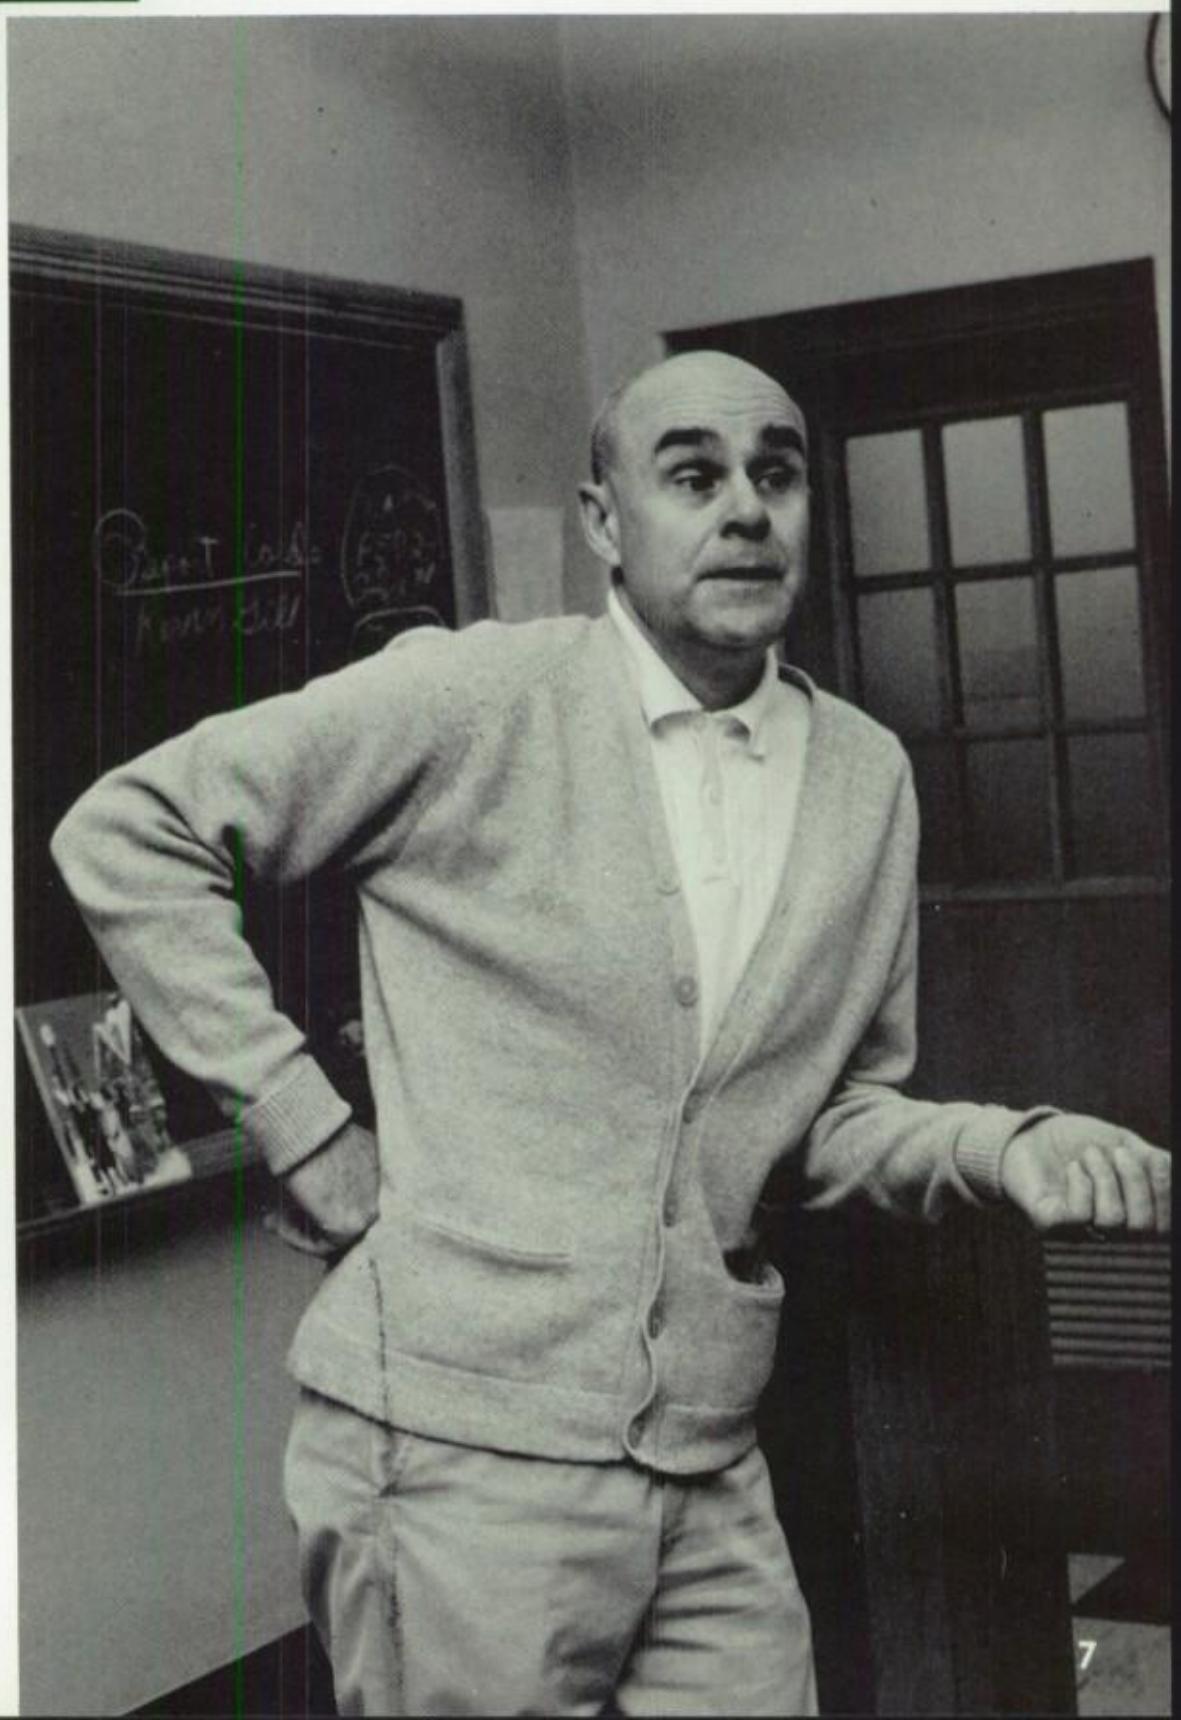


Coach Jay, a familiar face to both students and faculty, can be seen in the gym, classroom, or on the baseball diamond. Always keenly aware of his students, "Coach" has done a great deal to create in them respect for "a sound mind in a healthy body." For his many years of profound and unselfish devotion to the students of Le Roy High School, the school district, and community, we, the Class of 1969, proudly dedicate to **Coach Raymond Jay,** this **1969 O-AT-KAN.**

"Coach" as teacher . . .



as advisor



Theme

The thrill of achievement, the agony of defeat, lively laughter, confusion, success, and the search for knowledge—these emotions symbolize our year at L.H.S. Each moment remains colored by experience and time, until all that remains ... is an **"image."**

The year has passed and with it a part of our lives. Deep in our memory, this year will remain as a collage of images ... some with the impact of a single moment, others just a cloud of routine.

"Images" was chosen as the theme of the **O-AT-KAN** after careful deliberation by the editorial staff, for through it we could best portray this year as it truly was. Our school life was not one stark event after another, but a blend of personalities, emotions, circumstances and events. The final result is an **"image"** of a year that flew by, now beginning to fade, yet never to be forgotten.

Academics

The Board of Education

The citizens of LeRoy have done a competent job in selecting our board members. They come from varied backgrounds and job fields to incorporate their talents for the benefit of the school system. Despite the very difficult problems that beset the board, they functioned well. They have met each crisis with insight and efficiency. The school board for 1968-1969 has definitely expanded our school policy and format of action.

Dr. Donald E. Horr
Superintendent

Dr. Horr is the man who has set high expectations for LeRoy Central School. He is the person who strives unceasingly behind the scenes to make LeRoy meet those goals and to become the kind of school that is known and respected. The responsibility is his to look at all sides of each problem in order to come up with the answer that will benefit each and every student. His ultimate aim is to make every person proud to say, "I am a LeRoy student."

Mrs. Betty Peters
Secretary to Dr. Horr

High School Office

Mr. Gary D. Wilcox
Principal

B.M. Eastman School of Music, University of Rochester; M.S. Ithaca College Advanced Study, University of Rochester.

As principal of LeRoy High School, Mr. Gary Wilcox has many important responsibilities. It is his job to see that every student attains a certain degree of scholarship and citizenship. He has proven a most diligent and well-qualified principal.

Mr. Donald Santini is our new Vice-Principal. He must assure the good conduct and sportsmanship of every student. His capabilities and willingness to help have made him a pertinent member of the administration.

Mrs. Virginia Rudgers, High School Secretary

Mr. Donald J. Santini, Vice-Principal

Guidance Department

Yes, Bob, a sports scholarship is beneficial.

The Guidance Department attempts to assist every student during his school years and to advise him on his future. The Guidance Corner in the library is a new and helpful addition to the department. It was organized this year for the benefit of both pupils and teachers. It offers all types of information concerning colleges, vocational schools, major tests, courses of study, and occupational opportunities.

Donald Gilmore—B.A. Houghton College. Eng. 8, 10, and 12. **Advises:** Fresh. Class.

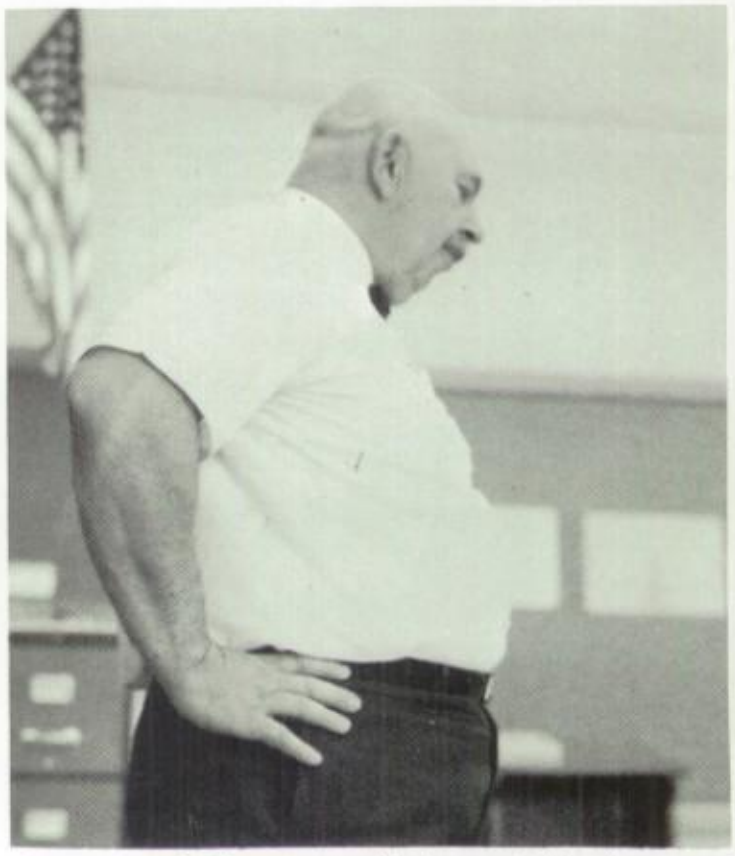
Marilyn Seibert—A.B., Roberts Wesleyan. Eng. 9 and 10. **Advises:** Senior Class.

English Department

Robert Sullivan—B.S., Brockport. Eng. 7, 8, and 9. **Advises:** Jr. Class, Stage Crew, Senior Play. **Coaches:** JV Football.

Michele Willett—A.B., Nazareth. Eng. 10 and 12. **Advises:** Varsity Cheerleading, Junior Class.

Skilled in the basic art of communication, our English teachers are continually alert to new ideas to make the study of English more interesting. As in the past two years, Advanced Placement English is offered to selected seniors, who, in the opinion of the department chairman, have shown the ability to benefit from an English course on a college level.



I wonder if Thoreau would have said it that way?

History Department

The innovation of two new courses has greatly enhanced the history department. Advanced Government and Economics, and Current Issues are now offered to seniors. These changes have brought about a change in teaching methods for all courses. Basic concepts are stressed rather than details. In this way it is hoped that students will apply them to modern life and issues.

Charles Woeller—B.A., Roberts Wesleyan; M.A., Brockport. World History 10.

Mathematics Department

As the demand for more skilled individuals increases, the depth and accuracy of our math skills must also be expanded. These changes can be seen in our curriculum. An innovation this year is the addition of Math 12X, a basic preparatory course for calculus. All classes this year are keyed to give the student a deeper understanding of the world of math and to force the mind to become clear and precise in its thinking and reasoning.

Chairman

James Perrone—B.S., Alfred; Adv. Study, U. of Mich., U. of R. Math 9, 10, and 12.

Science Department

As day-to-day changes take place in our modern world, our science department is continually revising its curriculum to keep its students informed. Newly added is the Advanced Placement Biology course, established to provide a challenge to the more adept science students. Tutorials and extended labs have been included to provide individual help and encouragement that was lacking in the lecture classes.

Physical Education Department

Our physical education department has been greatly enhanced by a new girls' athletic instructor, Miss Curtis. The recently acquired trampoline has created new areas of achievement for everyone. Mr. Santini, Mr. Jay, and Miss Curtis have combined efforts to give LeRoy an outstanding physical education program.

Chairman

Donald Santini—B.S., Brockport; M.S., Cortland. Boys Phys. Ed., Health. **Coaches:** Varsity Football, Wrestling, Track. **Advises:** Senior Class, B.A.A.

Business Department

The business courses are becoming more important every year. With the addition of a new teacher in the department, expansion of the curriculum was possible by scheduling more classes. The fine quality of the teachers gives every student the benefit of entering the modern business world fully equipped with the knowledge he will need to succeed.

Geraldine Pimm—B.S., Albany. Bookkeeping I and II, Typing, Shorthand II.

Industrial Arts Department

The separation of the Industrial Arts Department into two shop rooms has created an opportunity for greater specialization and an in depth study of the wood and metal programs. This result enables both Mr. Mangefrida and Mr. Ritchie to work more closely with their students during the course of their study.

Joseph Mangefrida—B.S., Oswego; M.S., SUCE Buffalo. Shop 7, 8, I, and II.

Edward Ritchie—B.S., Western Ky. Shop 7 and 8; Mech. Drawing I and II, Ind. Arts I and III.

Home Economics Department

The home economics program has been altered in some areas to provide a more detailed course. The seventh and eighth graders now have an extended thirteen-week period of study. A new teacher has provided a different and exciting outlook on the course, which for the high school students, supplements the experienced view of Mrs. Leanen.

Linda Lathan— Syracuse U. Home Ec. 7 and 11.

Music Department

Harry Stanton—B.M., Ithaca College. **Director:** Jr. Inst., Sr. and Marching bands; Instrumental lessons.

Ronald Vermillion—B.M., Eastman School of Music, U. of R. **Director:** Girls Chorus; Oatkanaires.

With the advent of two new directors, both choral and instrumental programs have benefitted. New ideas have been contributed by both teachers. These include a Junior High Girls Glee Club for the vocal department and solo recitals for members of the bands.

"I could freeze like this and you wouldn't even know the difference!"

Art Department

Art is offering a greatly expanded curriculum this year. A longer and more involved class is given to seventh and eighth grade students. The purpose of the high school art classes is to develop a rich background in perspective and technique.

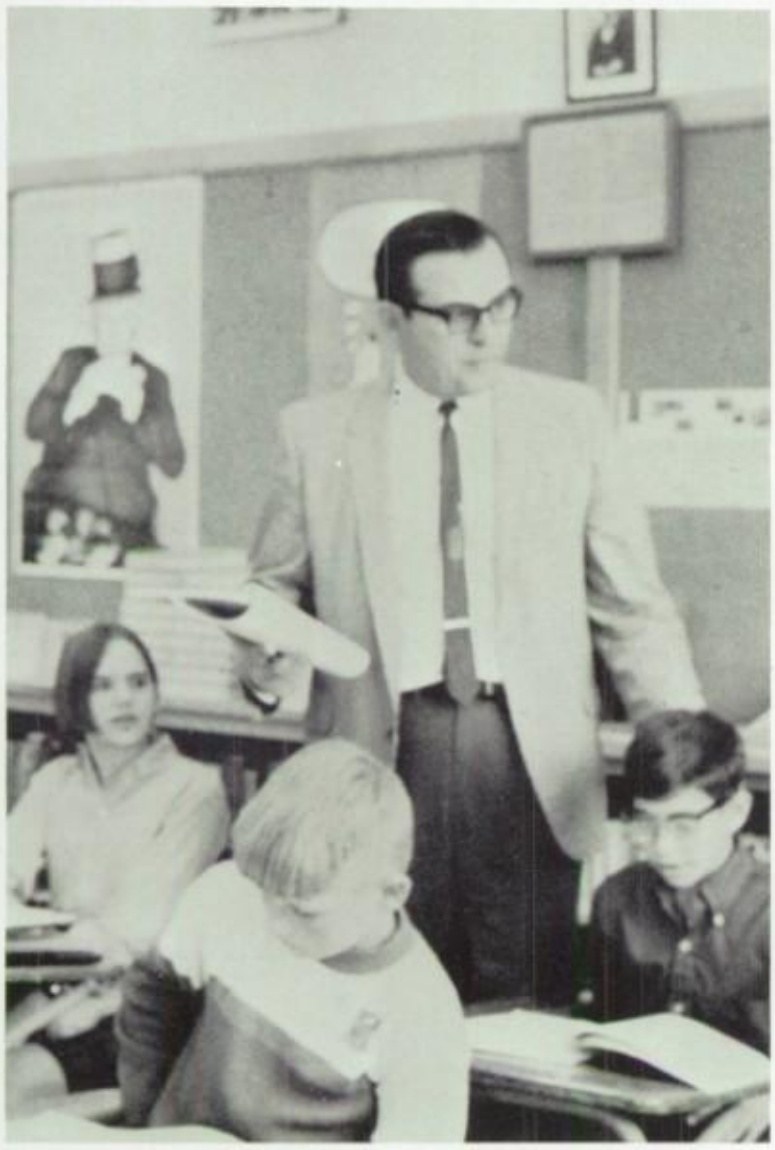
Remedial Reading



See Dick what?

As a new course in the junior high curriculum this year, reading is designed to correct faulty reading habits and develop skills and abilities of certain select members of the junior high. Mr. Norzyk has done much in the correction of the weaknesses of the students in the basic skill.

Thomas Norzyk—B.S., Brockport, Reading Specialist.

Driver Education

Driver Education became the most popular course this year. Even with the expanded curriculum, many students were turned away. This course is of prime importance because it develops good habits and produces careful, alert drivers.

Thomas Simon—B.S., Notre Dame; Adv. study, Ithaca College. Dr. Ed. **Coaches:** Varsity Football, Bowling.

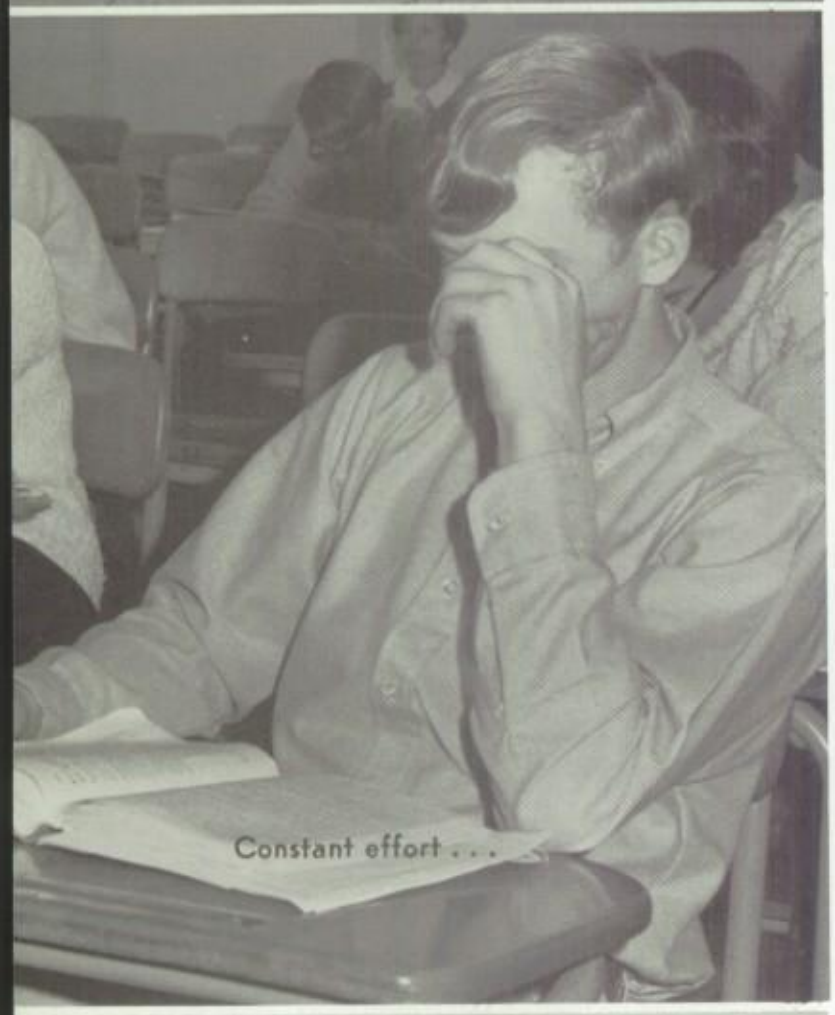
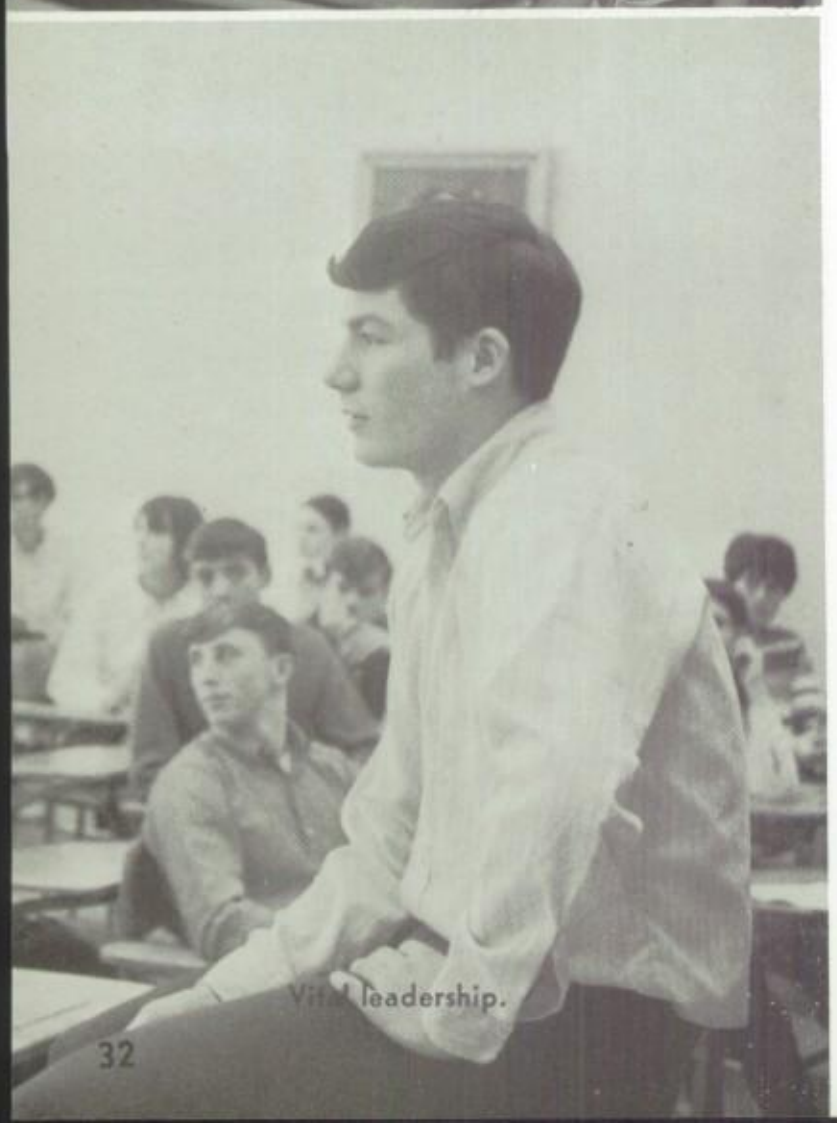
Seniors



Constant effort . . .



Vital leadership.

The Class of 1969

The Senior Class projects for '68-'69 have been governed by inventiveness and originality. Some of the necessary impetus for attaining our goals came from our advisors: Mrs. Seibert, "Coach," and Mr. "K." Our officers: **Jim, Loretta, Woody,** and **Barb,** dedicated themselves to the task of leading us through our moments of frustration and disappointment, as well as those of achievement and triumph. Their direction helped us in the establishment of many new Senior Class traditions. The first of these was the adoption of class colors-turtle green and white, naturally derived from the I.A.T. A white carnation, the all-time favorite, was duly elected to represent us on all necessary occasions. Our aspirations toward the complete formation of our early lives were reflected in the choice of "The Impossible Dream" as our class song. Since all groups must have a basis for belief, the class also selected a motto, "Some people dream of things that are and wonder why, we dream of things that never were and ask why not." As seniors, we felt that these traditions have given us a complete and individualistic image.

With the golden tones of autumn and the brisk rustle of leaves around the goal posts, the football season came to life, along with our first class activity, the football stand. We began the sale of ribbons as a new money-making venture for the purpose of improving class unity, as well as school spirit.

Fall gave way to the icy blasts of winter and the first snow storm heralded the Spaghetti Supper, which was staged in the cafeteria and hailed as the best in L.H.S. history. The highlights of December were the decorating of the homeroom, the ceremonious lighting of the tree and the depicting of the Christmas story in blues and greens on the windows of the cafeteria corridor.

Winter passed, spring was in the offing and began tantalizing our imaginations . . . to bring forth a "Magic Carpet Ride," our carnival. Once this was completed, we turned our vitality and talents to the thespian production of the "Miracle Worker."

The end of our final year drew near with the Ball, "Traces of Love," which marked the first time permission had been granted to take a ball outside of the school. We finally became aware that our days at L.H.S. were numbered and therefore all the more precious. However, the fun-filled, exhilerating, and exhausting Senior Trip was suddenly upon us. This gave us the total realization that our great year was truly in its last hours.

Not yet alumni, the anticipation and color of graduation excited us, but when it was experienced, the knowledge that we were parting after twelve years together, reflected the future separately within us. Because of its character, the Class of 1969 will always hold a special meaning and a distinct image of life for each of us.

The true value of being a member of this class is now known and can only be expressed with a fondness of heart and many memories of friendships made, of tears and laughter so wondrously shared, of helping each other and asking nothing in return, save a smile.

Junior Class

Spirited and active, the class of 1970 has shown that they are great contributors to the school community. This was measured by their Prom, "The Look of Love", and the annual Chicken Barbeque. They are the images of the class motto, "70 forever leading".

Confusion reigns supreme during a Saturday morning editorial meeting. Some work is accomplished amid the chaos of flying insults and remarks, the product of constant threat and solemn vows against our EIC. Lost formats, misplaced identification sheets, unwritten articles and uncropped pictures all add to the general commotion. In reality, this book was produced during many hours of hard and fruitful labor. The results of our efforts had become a unique feeling, one of accomplishment and unity in purpose. The 1969 O-AT-KAN is the school, the students, faculty, administration and community. We the staff of the 1969 O-AT-KAN feel that the O-AT-KAN also reflects a part of us as individuals, within its vast spectrum of images.

"We go to press at 3:00, does anyone have an article?"
"No, why don't we use a Brahmin filler?"
"Good thinking, get the Editor."

All the golden excitement of the press. We of the **Red and Black** are well acquainted with this type of excitement; or shall we say pandemonium? The editors that make this paper go are: **L. Student Council

Under the capable leadership of its officers, Student Council carried out many successful projects this year. Several new ideas were put into effect, among them an inter-high student exchange program, a children's film festival, and a special dance. The student council also sponsored school improvement projects, a toys-for-tots campaign, and several well-attended dances. Although there was much planned and much left to do, this year's council experienced limited success. They have set the precedent of dynamic planning for all future councils.

Brasses, Baritones, and Marching Beats!

Under the direction of two new teachers, the Music Department has innovated many original ideas. These included individual solo recitals, Brass Ensemble, reorganization of the Dance Band, and a Pops Concert.

The Brass Ensemble, comprised mainly of Senior Band members, demonstrated its talent in the Christmas and Pops Concerts. The Dance Band performed such popular tunes as "Hey Jude," "Alfie," "Mission Impossible Theme," and "Kites are Fun." The Senior Band was entered in competition and made a fine showing under the direction of Mr. Stanton.

The Oatkanaires also participated in the Pops Concert and gave us many successful assemblies. Through the joint efforts of Mr. Vermillion and Mr. Sullivan the musical 'South Pacific" was produced.

With the cooperation of both the students and teachers the Music Department has accomplished many worthwhile and enjoyable projects this year.

A.F.S. Club

The AFS Club held several successful activities this year. Perhaps their most rewarding accomplishment was the AFS Forum for which LeRoy's AFS Club played host. Approximately one hundred exchange students from the area came to this school for an interesting program which included discussion groups, entertainment, and refreshments for all. Two well-organized pizza sales were conducted by members of the club and interested adults with excellent response from the community.

Initiated this year, the Pep Club consists of many junior and senior high students who are interested in boosting school spirit in athletic events. Their frequent meetings took place in the form of poster parties before each game. The club helped organize pep rallies and participated in them to kick off each sports season. The loyalty and efforts of the club members were greatly appreciated by the student body and the faculty.

Interact Club

The Interact Club, initiated this year, is sponsored by the LeRoy Rotary Club. Its purpose is to further integrate high school boys with community life. Membership is open to boys in grades ten through twelve who have a specified academic average and have participated in a sport. The club has helped make many school projects successful, as well as carrying out its own activities, one of which was a basketball game with the WBTA discjockeys. Throughout, the boys have been under the capable and inspiring leadership of Mr. Hilbert.

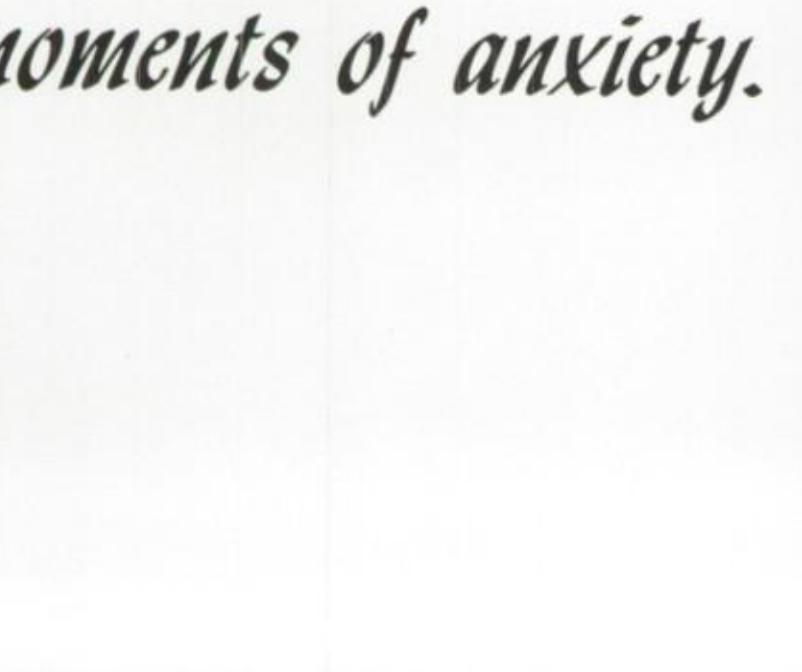
The Knights drew courage



Energy . . .

"Santini's Stranglers."

from many
moments of anxiety.

Last minute strategy.

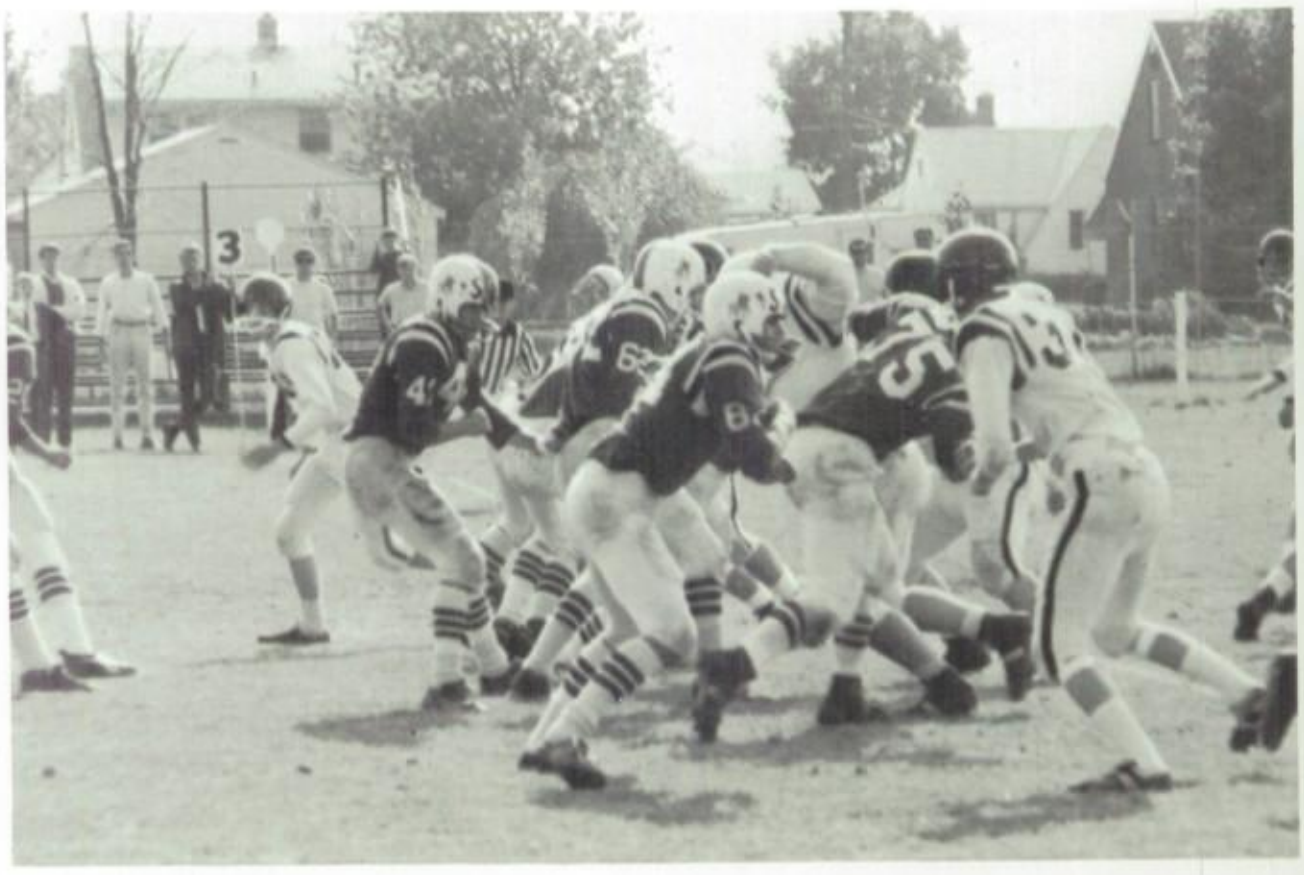
During the early days of conditioning, the prospects for a successful Varsity football season did not seem very promising. There were only seven returning lettermen, which meant that a large number of positions had to be filled by inexperienced juniors.

Head coach, Mr. Santini, stood behind the team every inch of the way, keeping the boys working and always acting as a ready source of confidence. Working along with him was Mr. Hart, newly acquired backfield specialist, who introduced new methods of branding the opposition. The team was kept in "perpetual motion" by the excellent coaching of Mr. Simon.

A sense of pride and feeling of unity, combined together with the training and ability of the '68 gridders was enough to slay six teams in as many starts. The Knights prepared to face Notre Dame, but it was a hungry bunch of Irishmen that played their best and came out on top of a 7-6 heartbreaker for LeRoy. Ending the season with a long awaited clash between LeRoy and arch-rival Caledonia, both holding a 6-1 record, came our second loss.

To head coach, Mr. Sullivan, and his assistant, Coach McVeigh, the prospects for a successful J.V. season seemed dim because of a small and inexperienced squad. However, after weeks of endless practice and strict regulations, this group of determined boys came through with a 4-2-1 record. Perhaps the sweetest victory and the highlight of the season was a Caledonia defeat by a 39-13 score in which the J.V. Knights showed the dog-eat-dog spirit which had been the secret of their success.

Now all equipment has been put away, and still the same determination and pride which characterized the 1968 season will remain with us as an everlasting image.



Push 'em back.

'68-'69 Basketball

LeRoy's first year as a member of Livingston County Basketball League was indeed memorable. What the team lacked in height, they compensated for with a great deal of enthusiastic effort. The most thrilling home game of the season was their clash with Wayland. The number one Eagles were dominated by LeRoy's mighty Knights.

In J.V. competition, Coach Hart's squad was the first in LeRoy's history to finish the season undefeated. With their skills and techniques brought to exacting precision, the daring Jr. Knights produced seventeen completely dominating wins. Possessing these skills and constant energy, the Junior Varsity Squad has earned the high esteem of all at L.H.S.

We cannot over emphasize the fine coaching of Mr. Longhini and Mr. Hart who offered their time and valuable experience in making the '68-'69 basketball season one of which LeRoy High can be proud.

Wrestling

Encouraged and with high hopes for a successful season, this young and inexperienced squad underwent a gruelling training schedule. These efforts were rewarded by an overwhelming first match win. The Oatkan matmen accumulated several disappointing defeats before picking up their second win.

For their individual efforts, Charles O'Geen, remaining undefeated throughout the season, and Carmen Muoio, capturing the championship in his weight class at the Livingston County League Meet, were deserving of the special recognition they received.

Inspired by enthusiastic fans and co-captains Mike Perry and Charles O'Geen, the 1968-69 wrestling squad climaxed a rewarding season, leaving the men with valuable experience and greater enthusiasm for the sport.

Individual effort and self-discipline were the keystones upon which the 1968 Track Team was built.

Although the team was small and the boys weak in some events, their victories were many; the only loss going to Batavia.

Because of the outstanding ability shown by the squad, several boys were sent to the sectionals and finished fourth out of nine schools.

Under the training of Coach Santini, the LeRoy Cindermen were driven to victory 11 times out of 12 and set many new impressive records.

This year's squad compiled an impressive record mainly through the combined efforts of an eager and determined team.

With the help of the strong pitching of Hope, Higgins, and MacPherson and the steady play of Woodruff on offense and defense, the Varsity Knights ended their victorious season with a fine 8-1 record.

Often hindered by bad weather, nothing could suppress the spirit of the J.V. Knights when they were out on the diamond.

Swift base-running and accurate pitching, along with precisional fielding, were points stressed by Coach Borrelli in his attempt to produce a well-rounded team. These instilled fundamentals will certainly prove useful to the J.V.'s, especially when they move up to the Varsity team.

Golf requires the perfection of many skills and an alert, clear thinking mind. Each member of the 1968 Golf Team possessed these qualities.

The highlight of the season was a crushing victory over arch-rival Caledonia. It was man to man all the way, each determined to raise the score.

Under the fine coaching of Mr. Stehle and the enthusiasm shown at each game, the 1968 Golf Team ended their successful season with a 5-4 record.

In their second year as an inter-scholastic squad, the 1968 Tennis Team utilized long hours of practice and drilling in making each game action-filled. Marked as having that fighting spirit, the Knights demanded the respect of their opponents as exemplified by a thrilling victory over Warsaw in which they won upon their first encounter.

In high spirits and many hopes for a promising season, the returning members will undoubtedly fare better in '69.

Enjoyment as well as healthful exercise was discovered by all girls participating in this year's Intramural Program. Many athletic activities were offered to enhance the ideas of physical fitness.

In the annual "Little Olympics" competition, cooperation and organization were found to be integral parts of success, as the Senior girls achieved the championship amid the screaming and cheering of many excited girls.

Under the direction of a capable instructor, Miss Curtis, the leadership and sportsmanship demanded in competition became the focal points of the '68-'69 girls sports season.

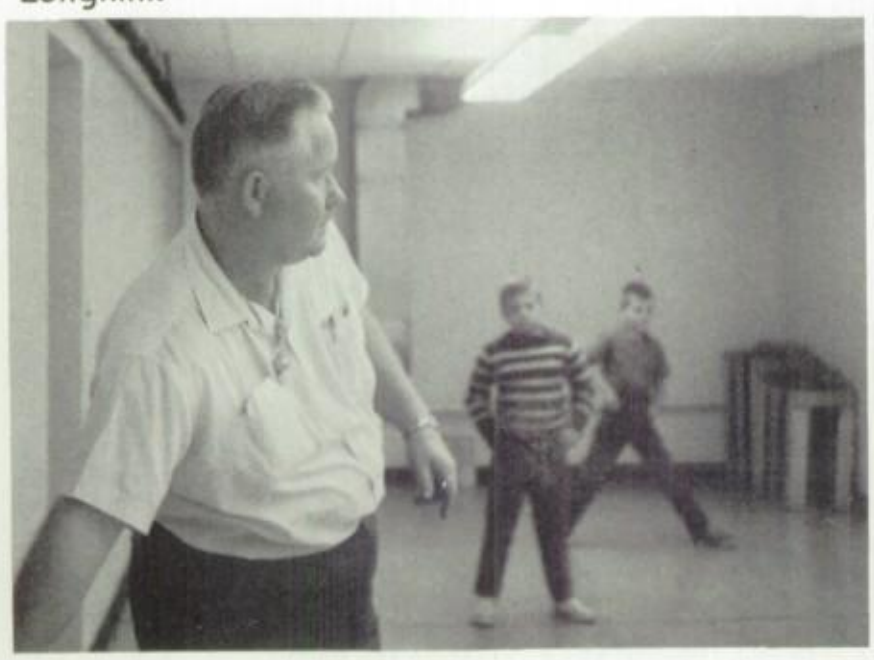
Dedication '69

Mr. Francis J. Longhini

"Tuffy", as he is affectionately called by both students and faculty alike, is a well known personality in both the school system and the community. Over the years, one of his **many** accomplishments has been the improvement of the cagers of L.H.S., and the production of many fine teams.

In recognition of his devotion to the school, and his affection for young people, it is with great pleasure and profound regard, that we, the graduating class present the Wolcott Street School Dedication of the 1969 O-AT-KAN to Mr. Francis J. Longhini.



Guiding the community's youth in physical fitness.

Epilogue

Reflected throughout the **1969 O-AT-KAN** is a unity of purpose. Although composed seemingly by individuals of separate attitudes, each person contributed to the character of a staff and it was the staff which produced the **O-AT-KAN,** not the individuals. This combination of viewpoints brought forth a yearbook which mirrors the throughts of a school and views the year from several perspectives simultaneously.

As editors, we grew closer as the book unfolded. We managed to live through countless hours of exhausting work and too many crises, but our reward came when we could sit back at the end of several hours of hard labor and look at a formerly troublesome bit of copy, awkward heading, or picture that simply refused to fit the format and say, "Well, that's done, and it's finally right." I would like to thank each of them for a job well done and for the unswerving dedication every one of them has shown. I'd especially like to express my sincerest appreciation to Donny and Mr. Klingensmith for their valuable help and support unfalteringly given.

I'd also like to thank the administrations and faculties of both schools for their assistance and co-operation. I am sorry for the inconveniences we caused and grateful for the fairness of your attitudes. It is your support that has made this publication possible.

Now the old must give way to the new. This past year was a good one, yet it cannot be lived again. Our lives are constantly changing and the only thing stable is the past which will remain with us always. The **1969 O-AT-KAN** no longer belongs to the staff; it is now yours to do with as you may. Criticize it, cherish it, yet always allow the image of life to remain within it.

To our Beloved Trig. Teacher,
It was fun while it lasted! Ha!
Hope to see you next year but
in 12th grade.
Mike Newton

To Miss Fortmiller,
Thanks for all
of the assistance you
gave me. See ya next
fall
Randy Bryant

To the best math
teacher I've ever had. Good
luck with the last day of your 3rd
period class and with correcting all our
exams. Have a nice summer.
Take Care,
Diane Ernst

Dear Mrs Fortmiller,

All I can say is thank-you for all the help during this past year. You've made me realize what an interesting and sensible subject math is. And because of it, I'm going to become a math teacher. God Bless you, always.

Sincerely,

Nancy MacBurney

Miss Fortmiller,
What can I
say? You're one of
the understand best
teachers I've ever had.
I can't tell you how much I
appreciate the time and patience
you've devoted to your somewhat-less-
than-best 6th period Trig. class. I
wish you all kinds of luck always
and may God Bless.
